# FALCON

WEBBING RETRACTABLE LIFELINE

**6** Meters

## Applications

- ✓ Telecommunications, Electricity & Transport
- ✓ General Industry
- ✓ Construction (for vertical use)

## Increased Safety

**6m webbing retractable lifeline:** Quick reaction brake mechanism arrests the fall within centimeters (*fall arrest force <6kN*).

**Swivel-mounted connector** eliminates lifeline twisting during use, preventing it from being damaged.

## Increased Service Life

The **composite casing** light-weight but solid, giving it extreme long-lasting service life.

## Casing comes with a lifetime guarantee

## Available in 4 versions

- ✓ Ref. 10 167 93 6m Miller Falcon lifeline + swivel
- ✓ Ref. 10 167 94 6m Miller Falcon lifeline + swivel + 63mm auto karabiner + karabiner with alu screw
- ✓ Ref. 10 167 95 6m Miller Falcon lifeline + swivel + 2 karabiners with aluminium screws
- ✓ Ref. 10 167 96 6m Miller Falcon lifeline + swivel + karabiner with aluminium screw + 22mm auto karabiner

**Xtreme DURABILITY**

**Swivel:**  
stainless steel bearing

**Nylon casing:**  
high resistance to impacts

**Compact mechanism:**  
built-in energy absorber

**Aramid fiber strap:** tested for more than 20,000 cycles

Weight :

**1,5** KG

**CE Certified**  
EN 360 : 2002
